ZIP/Postal code: _____

Country: _____

*VISA/Mastercard only. V-Code can be found on the signature line of the customer's credit card. V-Code is the three digits following the last 4 digits of the credit card number.

Disclaimers:

1. Surveillance: No trademark watch service is completely exhaustive in its ability to detect and provide notice of potential conflicts. Ladas & Parry takes all reasonable steps to provide accurate and timely notices of conflicting trademarks, company names and domain names, but we cannot guarantee absolute surveillance in all cases. Ladas & Parry shall not be liable for loss or damage that may result from failure to provide accurate and timely notice of potential conflicts.

2. As a precautionary measure to avoid any gap in surveillance, our Watch Service is renewed automatically, unless we are instructed to the contrary in advance.

Credit:

1. Credit Check: Ladas & Parry reserves the right to verify credit-worthiness in connection with your payment for its Watch Services and reserves the right to refuse an order for its Watch Services from any new subscriber based upon negative or non-existent credit history. In the event Ladas & Parry decides not to accept such new subscriber, Ladas & Parry agrees to refund promptly in full any applicable fees paid.

2. Processing Period: In order to verify credit-worthiness (where necessary) and process new subscriber information, there may be a delay of approximately ten (10) business days from receipt of your order before surveillance commences. You agree that Ladas & Parry shall not be liable for loss or damage that may result from such routine processing delays.

3. Credit Card: If a credit card is used for payment, the signatory guarantees the obligation which survives any cancellation of the credit card charge, absent the issuance by Ladas & Parry of a credit note.

6. Signature

Signature: _____

Comments/Special Instructions

Our system is driven and operated primarily by people, not machines, and permits us to offer broad flexibility in the scope of your surveillance. We are able to create whatever type of surveillance you require. We can narrow or broaden the frame of reference in reporting possible conflicting marks. You can change such criteria as often as you wish.
